

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

AN EXAMINATION BY THE)	
PUBLIC SERVICE COMMISSION)	
OF THE APPLICATION OF THE)	
FUEL ADJUSTMENT CLAUSE OF)	CASE NO. 9734-A
LOUISVILLE GAS AND ELECTRIC)	
COMPANY FROM NOVEMBER 1,)	
1986, TO APRIL 30, 1987)	

O R D E R

On May 28, 1987, we ordered Louisville Gas and Electric Company ("LG&E") to provide a record of scheduled, actual and forced outages, and a calculation of over- or under-recovery of fuel costs for the 6-month period under review.

LG&E provided the data requested and filed its monthly fuel adjustment computations for the 6-month period under review. Following proper notice, a hearing was held on July 23, 1987. At the hearing, additional information was requested and supplied by LG&E within the allocated time limit.

The sole intervenor was the Utility and Rate Intervention Division of the Attorney General's Office ("AG"). The AG did not offer testimony and did not challenge the level of actual fuel cost included in LG&E's monthly fuel filings.

On April 14, 1987, in Case No. 9734, the Commission fixed LG&E's base fuel cost at 15.11 mills per KWH. A review of LG&E's monthly fuel clause computations shows that the actual fuel cost incurred for the 6-month period under review ranged from a low of

13.69 mills in February 1987 to a high of 14.50 mills in April 1987. The record in this case, the coal market conditions during this period and the data filed in support of the fuel adjustment clause rates indicate that the actual fuel costs included in the monthly fuel adjustment clause filings were reasonable.

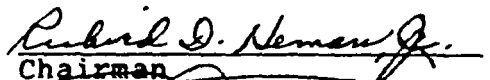

The Commission, having considered the evidence of record and being advised, is of the opinion and finds that:

1. LG&E has complied in all material respects with the provisions of 807 KAR 5:056 for the period under review.

IT IS THEREFORE ORDERED that the charges and credits billed by LG&E through the fuel adjustment clause for the period November 1, 1986, through April 30, 1987, be and they hereby are approved.

Done at Frankfort, Kentucky, this 24th day of August, 1987.
